Contact:

(541) 881-5755

cbwcl@tvcc.cc

Course Number: INED 090

This 6 hour course provides the necessary classroom hours and written examination required in qualifying for basic certification to work roadside flagging projects. Upon successfully passing the examination, a card will be issued to you with the necessary certification to work roadside flagging projects.

The card is recognized in **Oregon, Idaho, Washington, and Montana.**

Certification cards are valid for three years. TVCC does not guarantee job placement or handle a list of prospective employers.

Registration Form

https://webtools.tvcc.cc/file_manager/download.cfm?file=4044

Students receive three safety training manuals (yours to keep)

Students take an open book test at the end of the class
Those who successfully pass the test receive a green laminated ODOT Flagger Certification Card

See ODOT website for more flagger information
