

I.V. Insertion Lab

GENERAL UPDATES:

- ◆ Mara Poynter, PMC, MSHI, BSN, BA, RN, CCRN-K, has accepted the position of TVCC's Director of Nursing. She will officially assume the roll in September 2023.
- ◆ TVCC has a Nursing Faculty position open for hire. More information can be found at: [Nursing Instructor 2023.pdf \(tvcc.cc\)](#)
- ◆ The Capital Campaign has launched the public phase to raise matching funds for the Nursing & Allied Health Professions Center. These funds will enable TVCC to build a 30K square foot, state-of-the-art, Healthcare Education Building.

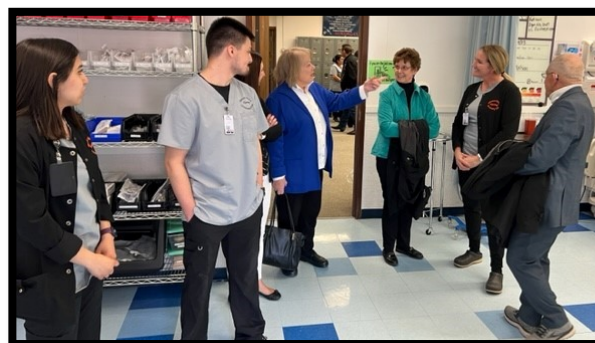

STUDENT UPDATES:

- ◆ 2nd Year Nursing students started Spring quarter with NurseThink® ReView to help them prepare for the NCLEX test once they complete the program.
- ◆ 6 Students started the Nurse Assistant course in the Spring quarter.
- ◆ All 13-2nd year students have been placed in their Integrated Practicum sites.
- ◆ 21-1st year students are rotating clinicals focusing on maternity and pediatrics during Spring quarter.
- ◆ Nursing Pinning Ceremony will be June 16, 2023, at 3:00PM, in the Meyer-McLean Theater.

NURSING PROGRAM UPDATES:

- ◆ TVCC Nursing Dept. is in Phase II of the RN cohort process. Candidates are answering essay questions online. Acceptance letters will be sent out by May 1, 2023.
- ◆ TVCC began the C.N.A Live/Online course Spring 2023. Students participate in class online during the scheduled time then participate in in-person skills and clinicals one-day each week. The Summer 2023 schedule is posted on [Nurse Assistant Program \(tvcc.cc\)](#)
- ◆ New this year—1st year students who successfully complete year-1 of the RN program qualify to take the PN-NCLEX and become License Practical Nurses (LPN) This is optional for students who want the experience of taking a NCLEX exam and possibly obtaining gainful employment.
- ◆ April 1, 2023 was the official launch of the NextGen NCLEX test. This exam has been designed to better measure nursing candidates' clinical judgment and decision making abilities through the use of innovative item types using real-world case studies.

NAHPC Launch Party

- ◆ The Nursing & Allied Health Professions Center Launch Party was held on April 4, 2023, in the Tech Lab Building. Local community and supporters were invited to tour the existing building, meet students and faculty, and share ways they can help support TVCC's healthcare education.
