

Greetings,

Thank you for considering Treasure Valley Community College's LPN to RN Bridge program. The LPN to RN Bridge Nursing program is restricted entry and applicants to the program must meet certain criteria before their application will be considered. Applicants are selected through a point-based system. Currently, the program admits up to eight (8) students every year starting in the Winter term. The program is established for the entry level student to attend Winter term Pharmacology I & Spring term Pharmacology II and LPN to RN Transitions. The student will then bridge completely in the Fall term as a fulltime student and follow the second-year RN course work.

Questions? Talk with an advisor or contact TVCC Admissions at <https://tvcc.cc/advising/index.cfm>

Below are helpful tips when applying to the LPN to RN Bridge program:

- Application timeline. Due October 15th by 4pm. Acceptance letters will be sent to your TVCC email and through USPS mail the 1st week of November, you will begin the program as a part-time student during the Winter - Spring terms, you will start as a full-time student Fall-Spring the next Fall, and graduate during the Spring.
- Applications are due by October 15th by 4pm. If this is a weekend date, then the application will be accepted till 5pm the following Monday.
- Request official transcripts from other colleges/universities to be sent to the TVCC Registrar (registrar@tvcc.cc or 650 College Blvd, Ontario, OR 97914).
- Enclose ALL unofficial transcripts, including your TVCC transcript, with your application.
- All required prerequisite courses must be completed with a letter grade "C" or better.
- All LPN to RN Bridge prerequisite courses must have an average GPA of 3.00 or higher.
- Thirty (30) prerequisite credits must be completed to submit your application, that includes Math 095 or higher and two (2) of the three (3) required BIOL 231, 232, or 233 course.
 - Please note that if the above three (3) prerequisite have not been met, your application will not be considered.
- Biology 101 and Chem 104 credits do not count toward the prerequisite total.
- All LPN to RN Bridge prerequisites (48 credits total) must be completed and meet the prerequisite rules by the end of the TVCC Fall term.
 - * Failure to complete all prerequisites will result in rescinding your admittance into the program.
- Applicants placed on the alternate list will be notified via email & mail no later than the end of the 1st week of November.
 - If an opening becomes available, you will be notified via your TVCC email. The email will include the date and time required for your response. We continue this process until all open seats are filled.
- Applicants who are placed on the alternate list will be notified via TVCC email address.

Thank you for applying to the Treasure Valley Community College (TVCC) LPN to RN Bridge Program.

RESIDENCY

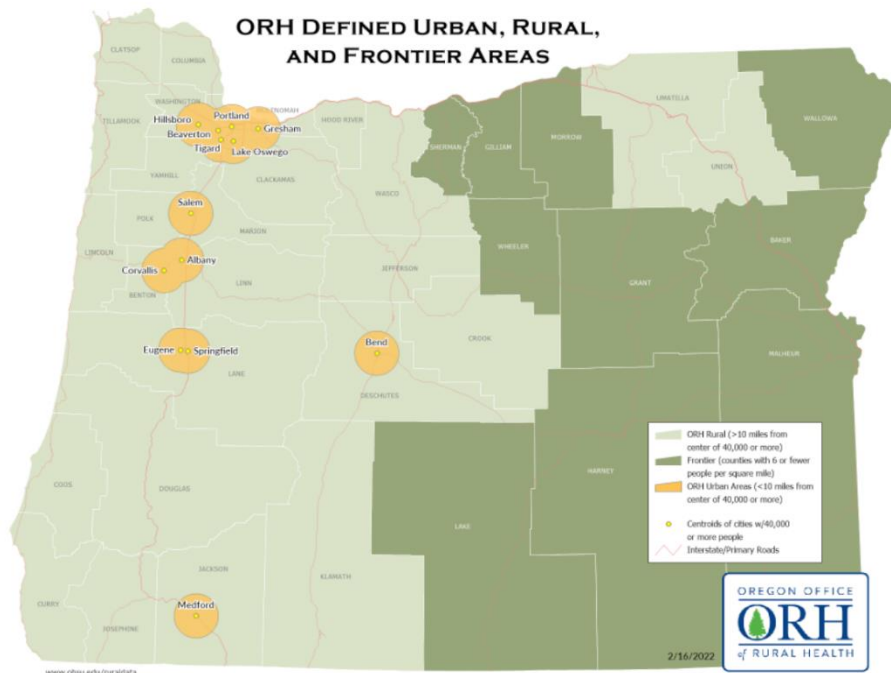

Residency is defined as a person's domicile, his/her true fixed and permanent home and place of habitation. It is the place where one intends to remain, and to which one expects to return when one leaves without intending to establish a new domicile elsewhere. Domicile is not established by mere attendance at the college.

To qualify for residency, you must meet one of the following criteria:

1. Reside in Malheur County
2. Reside in *Frontier Eastern Oregon* (defined as counties with six (6) or fewer people per square mile)
 - a. <https://www.ohsu.edu/oregon-office-of-rural-health/about-rural-and-frontier-data>
 - b. Please see map image for qualifying Frontier Counties
3. Reside within 35 driving miles of TVCC Ontario Campus

Proof of physical residence must be submitted with the application. (ex: utility receipts with your name and physical address listed or a driver's license)

PROGRAM AND LICENSURE REQUIREMENTS

Students accepted for admission into the LPN to RN Bridge Program at TVCC are advised, prior to enrollment, of the following OSBN - Oregon State Board of LPN to RN Bridge - Division 21 **851-021-0055 Standards for**

Approval: Students

(9) Students are informed before admission that the OSBN has limits on eligibility for licensure, as defined in OAR 851-031-0006 (1)(a)(b). Ultimately, licensure may be denied to students with a criminal offense and those with a major physical or mental condition that could affect their ability to practice LPN to RN Bridge safely.

<https://secure.sos.state.or.us/oard/viewSingleRule.action?ruleVrsnRsn=285664>

Examples of crimes for which an individual will be denied licensure include:

- Crimes against another person such as murder, manslaughter, assault, rape, sexual abuse, child abandonment, or neglect.
- Conviction within seven years for a crime against property such as first-degree offenses including burglary, arson, criminal mischief, robbery, or forgery.
- An extended history of arrests and convictions demonstrating habitual disregard for societal rules.

You will be required to complete a criminal background check after you are accepted to the LPN to RN Bridge program. Some clinical agencies may require additional security checks. A criminal background check will also be required by OSBN when you apply for licensure. A criminal record may preclude your ability to complete the required clinical experience and result in dismissal from the program.

Upon graduation you are eligible to seek licensure in any state.

I have read the above statement and I verify that I qualify for clinical experience at all clinical sites and for LPN to RN Bridge licensure in the State of Oregon. I also agree to release any criminal background information to TVCC for use in the LPN to RN Bridge Program.

PROOF OF HEALTH STATUS AND IMMUNIZATIONS

Listed items are to be completed once you have been notified that you are accepted into the LPN to RN Bridge program. However, this signed form is to be turned in with your application as acknowledgement of student responsibility.

I understand that once accepted to the TVCC LPN to RN Bridge Program, I must complete the following and provide proper documentation by the deadline stated in the acceptance letter.

1. A physical examination by a licensed health care professional.
2. A negative tuberculosis skin test. If the test is positive a chest x-ray will be required with the documentation. *Note:* This test must be updated each year. You are required to upload your 2-step TB test results in American DataBank/Complio.
3. Immunizations or titers, as appropriate for Measles, Mumps, Rubella, and Varicella.
4. Tetanus, Diphtheria, and Pertussis immunizations within the last 10 years.
5. As a LPN to RN Bridge student, you may be at risk of contracting Hepatitis B. Therefore, you are required to obtain the Hepatitis B vaccination. This is a series of three injections given over a six-month period. Only the first dose must be completed prior to the start of the program.
6. It is also recommended that you obtain the Influenza immunization, between October 1st and October 31st. This immunization is recommended for your safety and the safety of your patients. *Note:* This vaccination must be updated each year. Upload documentation in American DataBank / Complio when completed. Without an active flu immunization, the student will be required to wear an appropriate mask while in a clinical setting.
7. A negative 10-panel urinalysis drug screening is required prior to the start of the LPN to RN Bridge program. The Drug Screening must be ordered through American DataBank/Complio. Results of the testing will be automatically uploaded and remain confidential. *Note:* Drug Screening must be updated each year.
9. A criminal background check is required prior to the start of the LPN to RN Bridge program. The background check must be ordered through American DataBank/Complio. Results of the testing will be automatically uploaded and remain confidential. *Note:* Background check must be updated each year. Certain offenses may prevent licensure, please see <https://secure.sos.state.or.us/oard/displayDivisionRules.action?selectedDivision=1626>
7. It is the responsibility of the student to ensure all documentation is up to date prior to beginning year-2 of the LPN to RN Bridge program. (TB test, Background Check, Drug Screening, AHA CPR-BLS) Failure to do so may result in dismissal from the program.
