

Treasure Valley Community College

Code: IGDF
Adopted: 10/20/98
Readopted: 10/14/09; 7/14/15
Orig. Code: 803-2

Instructional Sales and Services

The College laboratories or shops may provide services or products as a by-product of the instructional process. Services include the production or repair of projects and products include the sale of supplies for direct use in the different instructional departments. Purchasing of such supplies and services must be handled by requisition through the business office.

END OF POLICY
