**Conservation
Technician**

TREASURE VALLEY
COMMUNITY COLLEGE

CONSERVATION TECHNICIAN

CONSERVATION TECHNICIAN
(16 credits)

The Natural Resources Conservation Technician CPCC prepares students for temporary technician work in Natural Resource conservation and management. Students will learn skills in forestry, range management, outdoor recreation management, wildlife conservation, water resource management, and noxious weed control. Students completing this Pathway Certificate will be employable by several state and federal agencies as well as by private industry.

The Career Pathways Certificate of Completion is awarded to students fulfilling the following requirements.

FWR 101	Natural Resources Seminar	1
NATR 111	Intro to Natural Resources	5
NATR 105	Field Methods in Natural Resources	3
NATR 221	Intro to Natural Resource Ecology	3
NATR 140	Map Use and Analysis	4
TOTAL		16

All courses in the Conservation Technician Career Pathway Certificate of Completion (CPCC) may be applied to the Natural Resources Associate of Applied Science degree. Students seeking ONLY a CPCC may not be able to utilize financial aid.
