- ◆ 19 students are in their final quarter of TVCC's Nursing program.
- ◆ 23 students are continuing in the 1st year of TVCC's Nursing program.
- ◆ 2 students have advanced in the LPN-RN Bridge program.
- ◆ TVCC's LPN-RN Bridge Program has been named #2 in the state of Oregon according to outreachedu.org! [\[Updated\] Best LPN to RN/BSN Programs in Oregon | PracticalNursing.org](https://www.treasurevalleycc.edu/nursing/rn/index.cfm)
- ◆ TVCC's LPN-RN Bridge Application will open June 16, 2025 with a submission deadline of October 15, 2025. TVCC will accept up to 6 students, who will begin the program in Winter 2025-2026. Please see [RN Nursing Program](https://www.treasurevalleycc.edu/nursing/rn/index.cfm) for a guide on how to apply.

NURSING ASSISTANT:

- ◆ 8 students enrolled in Spring Nursing Assistant course, with 4 in the Burns partnership
- ◆ Applications for the (8-week) Summer NA class will be accepted March 31-June 16.
 - ◆ Just a friendly reminder that applications and enrollment is processed on a first come, first served basis and the course capacity is set at 10 students per quarter.
- ◆ Certification skills exams are being scheduled at TVCC. Please go to [Welcome | OR TMU](https://www.treasurevalleycc.edu/nursing/na/index.cfm) for the exam schedule and locations.

MEDICAL ASSISTANT:

- ◆ 13 students enrolled in Intro to Medical Assistant (MA112)
- ◆ 4 students in clinical experience this winter
- ◆ 13 students preparing for clinical experience in the summer

PHLEBOTOMY TECHNICIAN:

- ◆ Anyone interested in gaining a Phlebotomy Technician Certification can enroll in PHLB115,

upon instructor approval.

- ◆ This 1-term course will provide the knowledge and skills for students to take a nationally recognized certification exam to become a "Certified Phlebotomy Technician"

SURGICAL TECHNOLOGIST:

- ◆ The Surgical Tech program and curriculum have been approved at TVCC and is now awaiting approval from the Higher Education Coordination Commission (HECC)
- ◆ The Surgical Tech program application is available online with a submission deadline of May 15, 2025. Please visit <https://www.treasurevalleycc.edu/nursing/cst/index.cfm> for more information.

 - ◆ April 10th, 12:00pm-1:00pm <https://shorturl.at/oBVZX>
 - ◆ April 17th, 6:00pm-7:00pm <https://shorturl.at/XMdXW>

EMERGENCY MEDICAL SERVICES:

- ◆ EMT students are finalizing their course work and 8 of 13 students have registered to take their licensing exam in late April.
- ◆ TVCC launched a Community Healthcare Worker course with COCC in Spring 2025.
- ◆ TVCC is building new Career Pathways Certificates for students interested in alternatives to the 1-year certificate.

BACHELORS OF SCIENCE IN NURSING (BSN):

- ◆ The BSN program and curriculum received final approval from HECC. TVCC is working on the application to Northwest Commission on Colleges & Universities (NWCCU)
- ◆ The expected launch is Fall 2026 and each college in the cooperative will be accepting 7 students for this first year launch.
- ◆ Applicants simply need to have received their Associates Degree in Nursing (ADN) prior to program entry, then obtain their RN licensure within the first quarter of attendance.

GENERAL:

- ◆ Construction has officially started on the Evelyn S. Dame Nursing & Allied Health Professions Center. Drive by campus, to see a large fence and big equipment making progress on the building. It is projected that construction will be complete by Winter 2026.
- ◆ HEA 101— Healthcare Seminar will launch in Fall 2025 as a freshman orientation class focused on introducing students to the Nursing & Allied Health programs that TVCC currently offers to help guide students to a successful educational and career path.
- ◆ The Workforce Ready Grant has more than tripled the number of students served based on the application projections. The original intent was to serve 20 students per year and in 5 quarters, TVCC has assisted 77 students.
- ◆ TVCC is re-branding to strengthen identity and better serve students and the community. This effort will take place in multiple phases and new materials can be expected starting in Fall 2025.
