— Kayla Hamilton —

TVCC is one of the few community colleges in the United States that offers a residence hall for on-campus living.

RESIDENCE HALLS

Our spacious 3-story, 142-room complex features single and double student suites. The building also hosts activity rooms, conference areas, a courtyard, and plenty of parking.

"The best thing about TVCC is how small our campus is and everything is easy to find. My favorite part about living in the Residence Halls is being close to every single one of my classes and activities."

— Tychius Schneider —
