Student Login Help

Usernames and passwords are constructed by pulling information from the main campus database. If any information was left off of the registration form, an alternate username and/or password construct was made. Email username must contain "@students.tvcc.cc" to specify login to the TVCC student email server.

To set up your account and change your password please visit: http://www.tvcc.cc/accountsetup

Username:

Last name + first initial + middle initial (ex. Joe Oliver Smith = smithjo)

No middle initial or didn't write it down at registration?
Last name + first initial (ex. Joe Smith = smithj)

If needed, two digits will be added to the end to make a username unique:
Last name + first initial + middle initial + 10 (ex. Joe Oliver Smith = smithjo10

If your account was created before July 1, 2016:
First initial + middle initial + last name (ex. Joe Oliver Smith = josmith)

Temporary Password:

Student ID# + _ + 4 digit birth year (ex. 55555_1985)

No birth year or didn't write it down at registration?
Student ID# + _ + 1234

Email:

Student email is provided by Microsoft

Username: YourUsername@students.tvcc.cc (be sure to type "@students.tvcc.cc" after your username
Password: same as listed above
