References:

No Oregon statutory requirement.

The Board of Education may by action establish committees that it determines are necessary to assist the Board of Education in its responsibilities.

Board of Education committees have no authority or power to act on behalf of the Board of Education. The function of committees will be fact finding, deliberative and advisory rather than legislative or administrative. Findings or recommendations shall be reported to the Board of Education for consideration. Committee meetings may be called by the College President or their designee or the committee chairperson. Committee recommendations and reports will become an official part of Board minutes.
