

Treasure Valley Community College

Code: JHCCBA/EBBAB/GBEBAA
Adopted: 10/17/06
Readopted: 10/14/09; 6/15/10
Orig. Code: AR 300-27

Bloodborne Pathogens

The College has adopted a Bloodborne Pathogens Regulation document to comply with the Oregon OSHA bloodborne pathogens standard, OAR 437-02-1030. A copy of this document is available in the Human Resources Department and in the Physical Plant.

The Director of Physical Plant and Director of Human Resources are responsible for institutional compliance with the adopted document. The College safety committee is responsible for annually reviewing this document to assess its effectiveness and updating the document as needed. The Dean of Administrative Services will be notified of any recommendations or changes to this document.

The Bloodborne Pathogens Regulation document can be found on the main website or the intranet under “Human Resources.”
