

# Junior Technician – BoreBuddy, Inc.

**Job Title:** Junior Technician  
**Department:** Engineering  
**Location:** Weiser, ID  
**Terms:** Availability Monday – Friday (hours to be determined)  
**Salary/rate:** DOE

**About Us:** BoreBuddy is a firearms manufacturer and direct to consumer retailer. We specialize in the AR22 (22lr chambered AR-15) platform. BoreBuddy was founded in 2019 and since then produces the highest quality AR22 components that consistently enhance our customer’s shooting experience, whether for competition or leisure. Like our products, our company culture is solution-oriented and strives for excellence in all facets of our business. We are looking for hard-working and dedicated team members that will help us continue to grow and strengthen our reputation in the firearms industry. BoreBuddy offers great opportunities for professional growth and advancement for motivated individuals.

**About the role:** This role will primarily focus on assembling products/kits and assisting in prototyping, production, and quality control. Secondly, the technician will be trained in shipping online retail orders as a backup. All other office/warehouse related tasks, including but not limited to: cleaning, organization of back stock, etc. The Technician will report directly to the Operations Manager and secondarily to the Engineers.

**Responsibilities:**

- Preparing and assembling products/kits for customer orders
- Running parts on the 3d printers as needed to maintain inventory (including basic printer upkeep, material loading, etc.)
- Maintaining a clean and orderly warehouse
- Receiving various deliveries to the warehouse and packing outgoing shipments
- Importing customer orders from our various online marketplaces and then creating shipping labels for each order
- Fulfilling customer orders by packaging products into the appropriate packaging
- Transporting daily batches of packages to the local US Post Office
- Additional tasks as assigned by supervisor

**Requirements:**

- Basic computer skills, including word and excel
- Ability to be coachable and punctual
- Availability Monday – Friday (hours to be determined)
- Ability to lift various weights between 1-40lbs
- Valid driver's license
- US Citizen, 18 years old
- Able to pass a drug screen and criminal background check (at any time during employment)

**Preferred Qualifications:**

- Experience in firearms handling especially the AR platform and use for various live fire responsibilities
- Mechanical aptitude and experience with use of basic fasteners, hand tools, etc.
- Basic knowledge of welding, machining processes
- Familiarity with 3d modeling software and 3d printing and the ability and willingness to master the 3d printing workflow
- Willingness to learn moderately complex tasks and processes on the job
