|                                                                              |     |      |     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
|                                                                              |     |      |     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
|                                                                              |     |      |     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
|                                                                              |     |      |     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

Cultural Literacy Course \_\_\_\_\_

Advisor: \_\_\_\_\_  
Date: \_\_\_\_\_

Students must complete a minimum of 90 quarter credits in courses numbered 100 or above with a grade point average of at least 2.0 to graduate with an AAOT degree. Students must also earn a grade of "C-" or better in all courses. At least 24 credits must be earned at TVCC. Credits must satisfy requirements listed below.

**Courses that meet the cultural literacy requirement are marked (CL), including BA 203 International Business (CL)**  
**Courses used to fulfill foundation skill requirements may not be used to also fulfill distribution requirements.**

**Arts & Letters** (3 courses) - A minimum of three courses, chosen from two or more disciplines

All courses below are three (3) credits each unless otherwise noted.

ART 101 Intro to Visual Arts (CL)  
ART 115, 116, 117 Basic Design  
ART 204, 205, 206 Survey of Western Art  
ART 131, 132, 133 Drawing  
ART 181, 182, 183 Painting  
ART 253, 254, 255, 256 Ceramics  
ART 261, 265, 266 Photography

COM 111 Z Public Speaking (4 credits)  
COM 218 Z Interpersonal Communication (4 credits)  
COM 220 Communication & Gender (4 credits)

ENG 195 Film Studies  
ENG 104Z, 105Z, 106Z Intro to Literature (4 credits each)  
ENG 201, 202, 203 Shakespeare  
ENG 207, 208, 209 World Literature (CL)  
ENG 253, 254, 255 Survey American Literature (CL)  
ENG 260 Intro to Women Writers (CL)

**Social Science** (4 courses) - A minimum of four courses, chosen from two or more disciplines

All courses below are three (3) credits each unless otherwise noted.

ANTH 110 Intro to Cultural Anthropology (CL)

CJ 100 Intro to Criminal Justice  
CJ 120 Judicial Process  
CJ 201 Intro to Juvenile Justice

ECON 201Z, 202Z Economics (4 credits each)

EDUC 200 Intro to Education (4 credits)

ETHN 101, 102, 103 Ethnic Studies (CL)

GEOG 105 Intro to Cultural Geography (CL)

MUS 101 Music Fundamentals  
MUS 105 Music Appreciation  
MUS 206 Intro to the History of Rock Music

PHIL 101 Philosophical Problems

R 201, 202, 203 World Religions (CL)

SPAN 201, 202, 203 Second Year Spanish (CL) (4 credits each)

SP 219 Small Group Discussion

TA 100 Intro to Theatre

WR 241, 242, 243 Intro to Imaginative Writing

HIST 101, 102, 103 History of Western Civilization  
HIST 201, 202, 203 US History

POSC 201, 202, 203 American Government

PSYC 201 Z, 202 Z, (4 credits each)  
PSYC 231 Human Sexuality (CL)  
PSYC 235, 236 Human Development  
PSYC 237 Seasons of Life (4 credits)

R 201, 202, 203 World Religions (CL)

SOC 204Z, 205Z(CL), 206Z General Sociology (4 credits each)  
SOC 210 Marriage/Family/Intimate Relations  
SOC 231 Human Sexuality (CL)

**Science/Math** (4 courses) - A minimum of four courses chosen from at least three laboratory courses in biological and/or physical science.

All courses below are four (4) credits each unless otherwise noted.

### Non-Lab Sciences

ANS 121 Intro to Animal Science

MATH 105 Z Math in Society  
MATH 111 Z Pre-Calculus I: Functions  
MATH 112 Z Pre-Calculus II: Trigonometry  
MATH 113 Pre-Calculus/Analysis/Geometry  
MATH 211, 212 Fundamentals of Elementary Math I & II  
STAT 243 Z Elementary Statistics I  
MATH 244 Probability and Statistics  
MATH 251Z, 252Z Calculus I & II (4 credits each)

GEOG 101 Intro to Physical Geography

FNUT 225 Nutrition

GEOL 148 Violent Earth

### Lab Sciences

BIOL 101, 102, 103 General Biology  
BIOL 221Z, 222Z, 223Z Principles of Biology (5 credits each)  
BIOL 231, 232, 233 Human Anatomy and Physiology  
BIOL 234 Microbiology

ENVI 100 Environmental Science

GSCI 104, 106, 107 Physical Science: Physics, Geology, Astronomy  
GSCI 108, 109, 110 Oceanology, Meteorology, Energy

CHEM 104, 105, 106 Survey of Chemistry (Health)  
CHEM 121, 122, 123 General Chemistry  
CHEM 221Z, 222Z, 223Z College Chemistry (5 credits each)

PHYS 201, 202, 203 General Physics  
PHYS 211, 212, 213 Classical Physics (5 credits each)

NOTE: Special Studies and Independent Studies numbered 198, 199, 298, 299 will not satisfy the general education and distribution requirements but may be taken as electives.
