

AP 3570 Smoking and Other Tobacco Use and Possession on Campus

References:

ORS 433.835 to ORS 433.875 – Oregon Indoor Clean Air Act
ORS 431A.175
ORS 339.883 (Tobacco 21)

1. Communication of policy shall be achieved as follows:
 - a. Signs clearly stating “no possession of tobacco products or inhalant delivery systems by persons under 21 years of age” shall be posted pursuant to law. The College shall also post signs stating that the College is a tobacco free campus.
 - b. Inclusion of policy in college handbooks and manuals.
 - c. Electronic communication from administration to all employees, volunteers, clients, students, visitors, vendors and contractors.
 - d. Inclusion of cessation resources on campus or the Oregon Quit Line (quitnow.net/oregon, 1-800-QUIT-NOW; Spanish: quitnow.net/oregonsp, 1-800-DEJELO-YA) as required by law.

2. Compliance
 - a. The plan for enforcement of the policy includes empowering those on facility grounds to make others aware of the policy and encourage compliance.

3. For the purpose of this policy, “tobacco products” is defined, but not limited to, the use of lit or unlit cigarettes as defined in ORS 323.010, and other examples are electronic cigarettes, cigars and cigarillos, hookah smoked product, bidi, clove cigarette, plug and twist tobacco, fine-cut or other chewing tobaccos, shorts, clippings, cuttings and sweepings of tobacco and other forms of tobacco, prepared in a manner that makes the tobacco suitable for chewing or smoking and use in any “inhalant delivery system” as defined under ORS 431A.175. In addition to “tobacco products” the use and possession of cannabis, mimic cannabis, or any other recreational drug that can be smoked, injected, ingested, or chewed is prohibited.
