**Work Session**

**A. Review Board Evaluation Tool**

The committee continued their review of the draft self-evaluation tool which was created from discussions at the October 24, 2025 meeting. The revised draft incorporated the Board's current board evaluation tool, draft board operating principles, and 2025-26 goals and action plan.

During the review there was a suggestion to add the College mission and vision statements to the top of the document. Additionally, the committee reviewed the 1-5 Likert scale and the associated language. Moreover, each statement in the self-evaluation was reviewed and amended as needed. Dr. Young also clarified that the tool was a self-evaluation of the Board as a whole and not as individual board members.

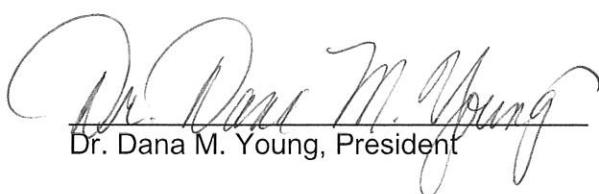

Another meeting will be scheduled to continue the review of the self-evaluation tool. The November 18, 2025 full board agenda will be amended to remove the tool as an action item.

**Adjournment**

The committee meeting adjourned. The next scheduled full Board of Education meeting is set for Tuesday, November 18, 2025.

Stephen Crow, Board Chairman
