

Treasure Valley

COMMUNITY COLLEGE

BP 7160 Professional Development

References:

NWCCU Standard 2.F.2

It is the intent of Treasure Valley Community College (TVCC) to maximize professional development opportunities for its employees.

It is the College's goal to encourage and support professional and classified employees in broadening their educational experience and gaining needed skills and knowledge which would benefit the College. If funds are available, TVCC will budget a reasonable amount of funds per year to support the Professional Development Program.
