Total Bridge credits	35		
Total ADN credits	76		

- Students must hold a current, unencumbered LPN/LVN license in any state.
- Cumulative pre-nursing courses must be 3.0 GPA or above.
- All prerequisites must be completed with a “C” grade (2.0 GPA) or above.
- Any transcript with a grade of “S” will receive an equivalent point value of 75% or a “C” grade.
- Science prerequisite BIOL 101 – General Biology is required in order to register for BIOL 231 at TVCC
- Science prerequisite CHEM 104 – Survey of Chemistry is required in order to register for BIOL 232 at TVCC
- All prerequisite courses (41 credits) must be completed to apply, or proof that all prerequisites will be complete by the end of TVCC’s Fall term.
- All Science courses that include BIOL must have been completed within the past 5-10 years and include an in-person lab and an active LPN license. If your science courses were complete over 10 years ago, please contact TVCC Nursing at nursing@tvcc.cc
- **All pre-requisites** must be completed by the end of fall quarter in order to enroll in (NRS) nursing classes.
- An application for graduation must be filled out one term in advance of final term.

Application is available at:
