

AP 4103 Cooperative Work Experience

References:

- No Oregon law reference
- HECC – Oregon Community College Policy and Process Book

Cooperative Work Experience is an advanced learning opportunity and not designed to be exploratory in a particular career area. The goals of CWE tie directly to a student's certificate or degree.

HECC CWE field experience definition, CWE credits are offered at a 3 to 1 ratio (30-36 clock hours per credit)

- No more than 24 credit hours of CWE may be applied toward an Associate of Applied Science (AAS) degree
- No more than 12 credit hours of CWE may be applied to a One Year Certificate of Completion
- No more than 12 credit hours of CWE may be applied to an Associate of Science (AS) or Associate of Arts (AAOT)

Approved: 03/10/26 Administrative Team
